WEKIVA SPRINGS PEDIATRICS VACCINE POLICY

Wekiva Springs Pediatrics is a private organization; we strongly believe in the importance of vaccinating your child. We fully support the current immunization schedule; however, we will be willing to work a special schedule and discuss immunization concerns with our parents. We strive to maintain a collaborative, non-judgmental relationship with families to ensure the child continues to receive essential wellness exams and developmental screenings. We do not dismiss pediatric patients from our practice solely because their parents decline or delay vaccinations. Our medical team will continue to recommend the CDC and AAP immunization schedule at every routine visit as the safest way to protect children. I acknowledge that I have read this vaccine policy in its entirety. I understand that by choosing not to vaccinate my child, I am exposing them, my family, and my community to preventable, life threatening risks.
